

New Café Project for Balderton Playing Field

Balderton Parish Council hopes to provide a café on the Coronation Street Playing Field, next to the Village Centre. The building will include a public toilet for playing field users which will be accessible when the café is closed.

The Council is looking to take out a very low, fixed rate interest loan of approximately £100,000 to help pay for the new building.

Plans for the new facility can be viewed at the Council Office which is open Monday to Friday 10am-12 noon.

Or, why not come along to the MacMillan Coffee Morning which is being held at the Village Centre on **Friday September 30th from 10am to 12 noon**. Plans will be on display there and Councillors will be present to answer any questions you may have.

Your opinion counts; we look forward to seeing you.

Thank you,

Balderton Parish Council.
