

	<p>A final decision was to be made within 6 months, an article to be placed in CCN. Representative from Stagecoach to ask thoughts of all their bus drivers on the proposal.</p> <p>Re. Traffic Management/Calming – Coddington.</p> <p>Cllr D Hedge reported that he had sent an e-mail to Road Safety Dept at NCC, which was read out asking to move the 40mph further away towards Newark. Response from Mr Thom, Officer at NCC very disappointing, e-mail read out stating 'that there is a priority at the moment on the countrywide review of speed limits on A &amp; B roads, which is to be completed by 2011 and the fact that there is no history of accidents in the location; after having checked with the Accident Investigation Unit, this request might be looked at again once the speed limit review has been completed. Due to the negative response from NCC, Cllr D Hedge felt that at this moment in time the PC cannot do anymore.</p>
