Dear Mr Tubb

**Ref:Southwell Neighbourhood Plan Regulation 16 Consultation**

Thank you for inviting Historic England to comment on the Regulation 16 Submission version of this Neighbourhood Plan.

We do not consider it necessary for Historic England to provide detailed comments at this time. We would refer you if appropriate to any previous comments submitted at Regulation 14 stage, and for any further information to our detailed advice on successfully incorporating historic environment considerations into a neighbourhood plan, which can be found here: <https://historicengland.org.uk/advice/planning/plan-making/improve-your-neighbourhood/>.

We would be grateful if you would notify us if and when the Neighbourhood Plan is made by the council. To avoid any doubt, this letter does not reflect our obligation to provide further advice on or, potentially, object to specific proposals which may subsequently arise as a result of the proposed plan, where we consider these would have an adverse effect on the historic environment.

Please do contact me, either via email or the number above, if you have any queries.

Yours sincerely,

R. Thompson
