Subject: Amended Southwell Neighbourhood Plan

[CAUTION: This email originated from outside of the organisation. Do not click on links or open attachments unless you recognise the sender and know the content is safe]

Good morning,

Thank you for the opportunity to comment on the Regulation 16 version of the Southwell Neighbourhood Plan.

While we do not have any formal comments to make in respect of the plan or its content, informally I would like to ensure that both yourselves and the Neighbourhood Plan group are aware that throughout the document the spelling, punctuation and general formatting are quite erratic, making the document more difficult to read, presumably as a result of moving the text between versions/formats.

Kind regards
