FAO Planning Policy Team

Hi,

I refer to the attached consultation in relation to the Amended Southwell Neighbourhood Plan – (Green Spaces).

National Highways responded to the Southwell NP Regulation 16 consultation in January this year. The amendments in the current consultation relate to Local Green Spaces only and will not impact the safe operation of the Strategic Road Network. However we will continue to respond to planning applications and Local Plan consultations throughout the district, in our role as a statutory consultee.

At this time we have no further comments to make.

Regards

Steve Freek
