Amenities Committee Meeting January 2021

Re Minute 3212 Pillar Clock	A reply is still awaited from Lidl's head office to the enquiry asking whether the company would consider funding the clock repairs.
Re Minute 3250 Public Toilet	The option of issuing keys to the toilet for regular visitors was again deferred owing to the ongoing Lockdown situation.
Re Minute 3259.3 Play Area Gate	The order for the new gate has been expedited.
Re Paddling Pool for Playing Field	The local contractor was advised that a paddling pool was not considered feasible for the playing field. He advised that he is willing to consider supplying free plant and labour for an alternative children's facility project.
Re Minute 3260 Allotment Water	The issue of water usage cost at the allotments may need addressing before Springtime when the usage resumes.
Re Minute 3261 Rats at Lakeside	The D/C Environment Health Department Officer is satisfied to date with the action taken by the Council to try and control the number of rats. The Officer continues to liaise with the property keeping chickens which is considered to contribute to the problem.
Re Minute 3263 Zip Wire	Collingham and Farndon Councils have provided feedback about zip wires on their play areas. An alternative, smaller zip wire product has been sourced which may prove more suitable as it would fit within the existing play area.
