<b>AOB</b>	The chair informed the Parish Council that one of the items in the weekly planning lists was an application for the crowning of lime trees at Osmanthorpe Manor. This was not likely to come before the parish council for consultation, but it is good to be aware of it.  A cheque was signed in payment to NALC for the Vice Chair's attendance at a training event "An Introduction to Chairmanship". The cost of the training was £40, but this is essential for succession planning.
