19 November 2012

Dear Sir or Madam

**Allocations and Development Management Development Plan Document  
Examination in Public**

Please find enclosed copies of the draft timetable and the draft participants list.

If you wish to attend the general matters sessions on days one and two (11 and 12 December 2012), can you let me know as soon as possible.

The general sessions will be an overview of the plan and the plan making process and will include matters 1, 2, 3 and 4 set out in the previously published draft issues and matters. They will not address individual site allocations or other promoted sites.

Two additional matters, 'Strategic Policies' and 'Gypsies and Travellers' have been added to the matters and issues and the revised document can be viewed on the website. I have contacted those who made representation to the Strategic Policy consultation about whether they wish to speak and will amend the list of participants if necessary.

Before attending the hearing sessions, it is advisable to look at the documents on the website including the Inspector's questions and the Council's answers, any statements and any recently updated material including minor future revisions to the timetable.

<http://www.newark-sherwooddc.gov.uk/planning/localdevelopmentframeworkldf/allocationsdmdpd-examination/>

The Inspector is unable to alter the timetable to fit in with requests for particular timings for all, as there are too many matters and speakers to be accommodated in this way.

Please do not hesitate to contact me if you have any queries.

Yours faithfully

**Original document signed**

Louise Cooper  
Programme Officer
