 - 1.45 Power to make minor alterations to the Planning Application Validation Checklist.
 - 1.46 Power to determine Section 73 applications under Town and Country Planning Act 1990 and Section 19 applications under the Town and Country (Listed Building and Conservation Areas) Act 1990 (as amended) (subject to the caveat set out below in relation to major applications).
- 2.0 To consider and make recommendations to the Policy & Finance Committee and/or Council on the formulation of the Local Development Framework and other plans, policies, protocols or guidance impacting on functions within the remit of the committee.
 - 3.0 Power to make payments or provide other benefits in cases of maladministration and in respect of the local settlement of complaints pursuant to Section 92 of the Local Government Act 2000 in respect of matters falling within the remit of the planning function.
 - 4.0 To make recommendations to the Policy & Finance Committee and Council on the formulation of the budget insofar as it impacts on the remit of this Committee.

The functions set out above are delegated to officers with the exception of the following functions, which are expressly reserved to committee for determination and cannot be discharged by an officer:

1. Planning applications which involve a significant departure from the statutory development plan.
2. Applications submitted on behalf of the Council or where the Council has an interest in the development save for any applications submitted on behalf of the Council or where the Council has an interest in the development as part of its HRA housing development programme.
3. Matters of significance to the district or which may potentially give rise to significant financial consequences except in cases of extreme urgency where delegated powers may be exercised.

4. All major applications (defined as 10 or more dwellings, where new floor space would be 1,000m² or greater or have a site area of 1 hectare or greater) where:
 - The recommendation is contrary to the response received from the Town or Parish Council or Parish Meeting, provided that such a response is based on material planning considerations¹ unless the recommendation is for refusal based on The Environment Agency's representations or Highways England direct refusal of an application regardless of whether or not other consultees support the application; or
 - The recommendation is contrary to the response received from a statutory consultee.
5. The relevant planning application has been submitted by a community or voluntary organisation, a town or parish council or a social enterprise and could in the opinion of the Authorised Officer, in consultation with the Chairman and Vice-Chairman of the Planning Committee, result in a significant community benefit and would otherwise be recommended by officers for refusal.
6. Applications which have been submitted by District Councillors, Senior Officers* or Officers who may otherwise have a direct involvement in the determination of the application or where Councillors or Officers have a direct interest in the application, will be determined by Planning Committee. (*Senior Officers shall be defined as Chief Officers and Deputy Chief Officers as defined by the Local Government and Housing Act 1989 (currently members of the Corporate Management Team and Business Managers).
7. Where an Authorised Officer has delegated powers he or she may refer the matter to Planning Committee for determination rather than exercise that delegated authority themselves particularly where, in their judgement, the specifics of an application warrant determination by the Planning Committee.

Caveats

- A) Where a major application is made under Section 73 of the Act to vary or remove planning conditions these will only be considered by the planning committee where they raise new material planning impacts arising from the subject of the conditions themselves.
- B) For proposals of between 1 and 9 dwellings, where the officer recommendation is contrary to the views of the host Town or Parish Council (or Parish Meeting), the relevant Ward Member(s) shall be first notified in writing and given the opportunity to request 'referral' (see Section 7 for process) to the Planning Committee. The 'referral' shall be within 5 working days of the notification, otherwise the application will be determined under delegated authority.
 - Enforcement Notices (including requisitions for information, stop and temporary stop notices), and Notices under Section 215 of the Town and Country Planning Act 1990 (as amended) relating to untidy land may be served by an Authorised Officer and the matter pursued through to prosecution at magistrates court when notification has first taken place with the Ward Member(s) where possible or it has been agreed with Chairman of Planning Committee where it has not been possible to do this.

8. Local Members can request that planning applications/functions be determined by Planning Committee rather than the Officers (this being known as a 'referral' request) acting under delegated powers in the following circumstances:
- The Member discusses the application with the Authorised Officer (or case officer) and a written request is made to the Authorised Officer within 21 days of circulation of the weekly list otherwise the application will be determined by officers acting under delegated powers;
 - The request sets out clear planning reasons behind the referral request and the Authorised Officer, Chairman and Vice Chairman agree that it raises material planning considerations that warrant debate by the Committee;
 - The recommendation of officers is different to the opinion of the Member having made the referral request having regard to the interests of their ward which must be specified.

In the event that the Authorised Officer, in consultation with the Chairman and Vice Chairman, does not consider that material planning considerations have been raised such that the application should be debated by the Committee, the Member will be notified in writing. The Member may then challenge this decision with the Chief Executive within 5 working days of receipt of the written notification. The Chief Executive will have the final decision.

Caveats

- A) Where a referral is made by a Member of an adjacent ward immediately adjoining the ward in which the application is situated, the relevant ward member(s) has/have been notified prior to the referral request being made.
- B) Where an application is referred by a Member who's ward is not either within or immediately adjacent to the application site, the referring Member must set out how:
 - i) in their opinion the application would have a material impact on the whole or part of their ward (or the district as a whole or part) having regard to the nature of the development, or
 - ii) for the reason that the application will set a precedent for the whole or part of the District; and
 - iii) the relevant ward member(s) has/have been notified prior to the referral request and the Group Leader of the relevant group of the Member making the referral request has agreed to the referral.

The "Authorised Officer(s)" for the purposes of this part of the Constitution shall be the Chief Officer whose remit for the time being includes responsibility for planning, the relevant Business Manager with responsibility for the discharge of the development management function or an Officer authorised in writing by them to act on their behalf.
