**NOTTINGHAMSHIRE MINERALS LOCAL PLAN – SUBMISSION DRAFT CONSULTATION**

**1.0 Purpose of Report**

- 1.1 To set before the Committee the District Council's proposed response the Nottinghamshire Minerals Local Plan Submission Draft.

**2.0 Background Information**

- 2.1 Nottinghamshire County Council are in the process of preparing a new Minerals Local Plan to replace the current plan which was adopted in December 2005. Once adopted this new plan will cover the period to 2030 and provide the land use planning strategy for mineral development within the County, identify site allocations to meet future need as well as containing development management policies against which future development proposals will be assessed.
- 2.2 The Submission Draft is the last stage before the plan is formally submitted for Examination by the County Council to the Secretary of State for independent examination and unlike in previous stages the County Council are now seeking formal representations rather than consultation comments

**3.0 Proposals**

- 3.1 Officers are currently preparing their finalised report setting out the various issues of importance to the District and a proposed representation. This will be circulated closer to the Special Meeting.
