Freedom of Information Request regarding Dangerous Wild Animals

I am writing from international animal welfare and conservation organisation Born Free. We are currently in the process of contacting all relevant Local Authorities in the UK, requesting details of all animals requiring licensing under the Dangerous Wild Animals Act 1976 in your jurisdiction.

Under the Freedom of Information Act, please provide the following:

1. Details of how many animals of each species are covered under each licence.
2. For each licence, list all the species and the number of individuals covered. In each case, we will require as much information as possible to enable the species to be identified.
3. Any information you are able to provide us relating to applications which were made and subsequently refused, and the reasons for refusal.

We do not require personal information such as names of licensees, addresses etc.
