20/63 Flooding issues in the village

There was more flooding a few weeks ago, during a heavy spell of rain. The residents on Central and Brackendale have been in consultation with the relevant organisations. Environmental Health and Seven Trent are now putting pressure on the County Council to help alleviate further issues as a blockage has been identified which Highways are responsible for clearing. District Councillor Mike Pringle has a meeting with Via later in the month and this work will be on his agenda. Some work has been scheduled to take place on Burton Rise from 27th November. Residents are co-ordinating through a Whatsapp group and do not require any further assistance from the Council at this point

20/66 To receive items for information and future meetings

- Royal Mail have blocked the post-box at the top of New Hill. Clerk had complained and asked for an explanation. It had been blocked due to Brake Road being temporarily closed and the collection van was unable to take a diversion from its normal route. Clerk again requested that the post-box be moved to a more suitable, central location. Response from Royal Mail was if it isn't moved with 25 weeks their investigation will have concluded there is no reason to relocate it or add an additional post-box.
- Some of the village have not been receiving post on a regular basis, sometimes only once a week. Clerk has put a complaint into to Royal Mail about this and is still awaiting a response.
- Cllr Slingsby is looking into decorating the village with bows and community Christmas Cards for Christmas. Around £30 was requested to purchase fixings for the decorations. This was unanimously agreed.
- A new meeting platform needs to be sourced for future Parish Council meetings. The platform has to have the ability to dial-in. Cllr Samuel & Cllr Whittaker-Smith.
- Cllr Slingsby has been in contact with the resident regarding village gateway signs.
- There is a community radio station being set up called BOWE Radio. Cllr Mike Pringle is involved in this and has asked the Clerk to sit on the steering committee as a Walesby representative.
- Cllr Whitakker-Smith has asked about the prospect of her installing a memorial bench or similar for her grandparents. Parish Council couldn't see a problem but will decide once Cllr Whitakker-Smith has more details.
