Presentation of Accounts for the Year Ended March 2022: The Clerk went through the accounts for the past 12 months and highlighted the payment to Gateway Signs which represented the final payment for the replacement Village entry road signs for Kneesall and Ompton. The production of the signs had taken almost 3 years due to the COVID-19 problems but completion and installation should be by 14 June. Delays had also been caused due to the signs being larger than the existing road signs in respect of vehicle clearance resulting repositioning of the signs causing delays as fresh licences the had to be issued by the County Council.
