at the Bridge Community Centre, Lincoln Road**

The Workshop will start at 6pm, but please arrive from 5.45pm to register and get some refreshments.

There is no need to book a place, please just come along. It is important that you have your say, and use the opportunity to ask questions and gather information about the proposed improvements to the Yorke Drive estate and Lincoln Road Playing fields.

The Final Master Plan Exhibition scheduled for 31st August and 1st September has been postponed until later in September. This is to make sure we have gathered as much feedback as possible from residents, and that residents views are reflected in the final proposed designs and options. We will confirm the dates soon.

Końcowa wystawa w dniu 31 sierpnia / 1 września jest odroczone. Nowa data pod koniec września zostanie wkrótce ogłoszona.
