YORKE DRIVE FOCUS

July 2026

Hello and welcome to your Yorke Drive Focus newsletter.

This newsletter, published by Newark and Sherwood District Council, is for all residents of the Yorke Drive estate and surrounding areas to keep you up to date on local news and events and on the proposed regeneration of the Yorke Drive estate and Lincoln Road Playing Fields.

Planning and construction update

Our team is continuing to work through the planning requirements that need to be completed before work can begin on site.

We are making steady progress across a number of the required conditions and have created a table on our website (link below) which shows where progress has been made, alongside the conditions that still need to be discharged before construction can start.

We hope this gives a clear picture of the work taking place behind the scenes and the steps still to be completed.

We understand that many people are keen to see progress on site, and we greatly appreciate your patience and continued support as we work through the final bits of the process.
